Can I change programs or schedules once I start school?

I received a notice of absence but I was in class. Who do I talk to?

Come see someone in the administration offices and we will help you.

When can I start my internship?

You are scheduled for internship as part of your class schedule when you enter the 2nd trimester of your program, (7 weeks for full time/14 weeks for part time). *There will be a separate intern orientation prior to your 2nd trimester.*

When will I receive my license?

To license, you must accomplish five things:

Pass the MBLEX test (offsite)

Pass the Texas Jurisprudence test (no fail test administered online at school)

Finish 500 clock hours (at school)

Pass the basic curriculum (at school)

Fulfill all financial obligations to the school

When do I take my MBLEX test?

You can actually take the MBLEX test at any time. There isn't any education or timing requirement. We urge you to take the test when you feel comfortable doing so. Remember, the MBLEX is based only on the 500 hour curriculum, and we welcome you to license prior to your graduation. There are practice test resources online that we will provide to you. PLUS we schedule review classes each 7 week period. Come to the administration offices and we will work with you.

Where do I take my MBLEX?

There are specific locations for state testing and you are given a choice to test at the one closest to you. The closest to the school is the one at LBJ and Central.

Is there a practical to my test?

State of Texas does not require a practical test anymore. The only testing needed is to pass your coursework here and then pass the written state licensing test and complete the state Jurisprudence exam.

Can I receive my license while still enrolled as a student?

Absolutely! If you are in our Advanced or Master schedule, you may receive your license once you have accomplished the basic curriculum outlined by the state. And... once you have received your license, you may receive payments for your massages!

Remember___ Your Completion and Success is based on Your Individual Goals and Performance!

When do I get my table and/or my funding overage?

It's simple. When we have received all the funds for your education, we will release your table to you. If you are paying out-of-pocket, it is when your balance is paid in full. If you are receiving Dept of Ed funding, it is when we receive your final disbursement and you have finished your 'Exit Counseling'. That normally occurs when you are at about 60% of your program hours.

If you are scheduled to receive any overage on your funding that takes place once you have successfully passed your State Board test. You must submit a written request (forms are in the business office), and we will forward those funds to you within 14 business days.

Always Check With the Administration Office If You Have Any Questions or Concerns!
